February 28, 1997 LB 37, 70, 104, 124, 130, 183, 184, 199, 250

do what it is that I'm trying to get done on the floor of the Legislature. I just think about that sometimes. Senator Hillman, you'll have that situation before I will, but have you ever thought about how good it would be to just not have to do anything at all and just pop your finger and they go to work out there and they start thumping heads, and the next thing you know, you say, let's take a vote and you get more votes than you ever thought you'd get. I bet Senator Hilgert would like to do that on LB 124. I know on the slaughterhouse bill, instead of getting slaughtered, as was the case yesterday, we should have had some votes like that, but the same ones who voted against that bill talking about local control, want to take away all local control when we come to a shooting range bill that is designed to protect one guy because he wants to stop the advancement of the city...

SPEAKER WITHEM: Time.

SENATOR CHAMBERS: ...and gouge a big price.

SPEAKER WITHEM: We are now voting on the question of shall the Suttle amendment be reconsidered. If the vote is successful, then the Suttle amendment will be back before the body as the pending matter for consideration. If the motion is unsuccessful, then the pending matter will be the Chambers underlying motion and the Suttle amendment will be disposed of. All in favor of reconsideration vote aye, opposed vote nay. Have you all voted who care to vote? Record, Mr. Clerk.

CLERK: 11 ayes, 25 nays, Mr. President, on the motion to reconsider.

SPEAKER WITHEM: The motion to reconsider is not successful. The call is raised. Mr. Clerk, do you have any items for the record?
